# National Association for Welfare Research and Statistics

## SPONSORSHIP INVITATION 49<sup>th</sup> ANNUAL WORKSHOP JULY 12-15, 2009 in Albany, New York

It's April and time for the National Association for Welfare Research and Statistics (NAWRS), the New York State Office of Temporary and Disability Assistance, and the Nelson A. Rockefeller Institute of Government at the State University of New York to invite you to sponsor the 49<sup>th</sup> Annual NAWRS Workshop in Albany, New York, July 12-15, 2009. The conference will be held at the Crowne Plaza Hotel in downtown Albany.

The annual NAWRS Workshop promotes the exchange of empirical findings and research best practices, cost-efficient approaches to data collection, analysis, and presentation, and ways to increase the relevance and use of research in policy-making and program operations, particularly in the public human services sector, broadly defined. It provides a forum to establish and renew collegial relationships, to share experiences and lessons learned, and to explore ways in which research and statistical data analysis can aid in the development and management of more effective programs with measurable outcomes. Workshop attendees include administrators, analysts, and researchers from state, federal, and local agencies, as well as interested academics, consultants and policy research analysts. This year's theme is:

### *Helping in Crisis: Government Assistance in Recession and Beyond*

The workshop will offer your organization a unique opportunity to share your organization's mission and products with governmental and nongovernmental welfare and social policy experts from around the country. Past sponsors include: The Lewin Group, MDRC, SAS, the National Poverty Center, Administration for Children and Families -- Office of Planning, Research and Evaluation, Public Consulting Group, Sequoia Consulting Group, Mathematica, Brookings Institute, Institute for Research on Poverty, MAXIMUS, and Metro Family Services (Nashville). You'll be in good company as a sponsor of this year's workshop! Please consider sponsorship at any level and submit your confirmation form to me by May 30, 2009, I'll also take care of your attendees' registration.

Sincerely,

Michael A. Bono  
NAWRS Board Member
